## OCTOBER 2021 MINISTRY SPOTLIGHT

United Methodist Women is a supportive, inclusive Christian membership organization where women grow spiritually, develop as leaders and serve and work to create a world in which all women, children and youth thrive. We represent women organized for mission, and committed to the purpose of United Methodist Women.

United Methodist Women is a community of women whose purpose is:

To know God and to experience freedom as whole persons through Jesus Christ

To develop a creative supportive fellowship and

To expand concepts of mission through participation in the global ministries of the church.

UMW members are committed to growing as disciples of Jesus Christ in community with other women and advocating on behalf of women, children and youth around the world. United Methodist Women have been in mission for more than 150 years.

Our local circle is the Louise Miller Circle. We are an active group of women who meet the first Monday of every month excluding July. We enjoy fellowship together over lunch followed by a guest speaker. We work together by showing God's love in the support of missions in our local community and around the globe. We support missions such as Hope Harbor, First Choice Women's Center, Murphy Harpst children's home, Heifer International, Focus, Family Connections...just to name a few.

This year we are sponsoring the Jingle Bell Christmas Bazaar with half of the proceeds going to support our missions and half the proceeds going towards our church debt.

All women of Pine Mountain First United Methodist Church are invited to join us as we continue to support women and children and our local and global missions.
